

Boehringer Ingelheim is one of the world's leading pharmaceutical companies with a commitment to innovation that drives our success. With the strength of 9,000 employees nationwide, and 38,400 globally, we're building an inclusive organization where creativity, variety and diverse contributions are welcomed and encouraged.

*Value through Innovation*

Boehringer Ingelheim congratulates and proudly recognizes *Pearlene Johnson* and *John Sims* on their Lifetime Achievement Awards.

At Boehringer Ingelheim, we believe our innovation comes from diverse ideas that spring from an environment fostering a collaborative approach to problem solving.
